

PHYSICIAN PROFILE

Larry Ho, M.D.
Board Certified
Pain Specialist
Board Certified
Anesthesiologist

Specializing in the Non-Invasive and Minimally-Invasive treatment of the spine, Dr. Ho is dual Fellowship trained at Harvard Medical School/ Massachusetts General Hospital and University of Washington. Dr. Ho is also double Board Certified in both Anesthesiology and Pain Medicine.

With a background in Engineering, Dr. Ho oversees technological development at PainCare.

“Even as we incorporate the most advanced technology such as GE’s image guidance system and the IDD non-surgical decompression treatment, we remain focused on our patients’ needs. Nothing we do will be of much value unless we treat each patient as an individual.”

Dr. Ho, his wife Stephanie and their four children are active in the community. Besides soccer games and school activities their children study music and foreign languages. They have traveled to many parts of the world learning about cultures and the needs of our world.
